Canadian Hadassah-WIZO (CHW) 2021 Annual Campaign: *Support Healing, Transform Lives*

TORONTO, CANADA – CHW is pleased to announce that the 2021 Annual Campaign, ***Support Healing, Transform Lives*** begins on March 1, 2021, in support of CHW projects. This pillar of CHW’s fundraising efforts provides \$1.5 million in support of Children, Healthcare, and Women in Israel and Canada.

CHW is a non-political, nonpartisan national network of dedicated volunteers and professionals who strongly believe that the advancement of childcare, education, healthcare and women’s issues transcends politics, religion and national boundaries.

Over the last century, CHW has been involved in all aspects of Israeli life, passionately supporting women, children, and families around the world. CHW’s support has strengthened, and continues to strengthen, the very fabric of Israeli society.

Elayna Latsky, CHW National President, said: “Your gift to the CHW Annual Campaign enables life-saving work that has been achieved at our partner organizations during these unprecedented times.. When you give to our Annual Campaign, you are impacting the lives of thousands of children, women, and families and ensuring the future of Israel.”

“Each person has their own reason for supporting the work of CHW, but together we make a statement about our belief in the mission of CHW,” said **Alina Ianson, CHW National Executive Director**. “By supporting ground-breaking COVID-19 research at Hadassah Hospital, we support healing and transform lives in our Jewish Homeland, and globally.”

When you give to our Annual Campaign, you are ensuring that our mission of passionately supporting programs and services for Children, Healthcare, and Women in Israel and Canada becomes a reality for the countless people who depend on the support of CHW projects each and every day. ***Support Healing, Transform Lives.***
